KEEP THE GERMS AWAY

Bacteria → Disinfect → Decompose into oxygen

COMPARE WITH OTHER STERILIZERS

Compared with traditional air purification, ozone disinfection is more suitable for car disinfection.

Ozone sterilizer

Main function

Ozone destroys bacteria

Functional advantage

Omnidirectional ozone disinfection

Economy

No consumables

Air purifier

Main function

Filters absorb, filter remove particles

Functional advantage

Adsorption air filtration

Economy

Filter replacement

OZONE PURIFICATION TECHNOLOGY REDUCES AIR POLLUTION IN YOUR CAR

Ozone has a strong ability to penetrate cell walls and can effectively eliminate viruses, bacteria and other pathogenic microorganisms in the air.

Formaldehyde

Bacteria

Viruses

Smoke

Pet smell

Dust mite

FEATURES

Stainless steel cabinet

Portable design

timer 0-60 minutes

Strong cooling performance

Home socket

Car socket

SPECIFICATIONS

Model	DNA-1000MG
Voltage	DC12V
Power	18W
Ozone output	1g/hour
Type of reactor	quartz tube
Timer	0-60 minutes
Dimension	160*250*200mm
Weight	2.4kg
